Awarded as the Best Office Development in Europe, is the ultimate destination for new and established companies who wish to conduct their business in the right environment, one which will add value to their organisations and team members.

This impressive business tower combines superior architectural design and state-of-the-art technology. Designed with innovative facilities, provides unique spaces with contemporary glass facades. These sound-insulating surfaces of glass give the impression that you are located far from the hustle and bustle of Limassol, while being right in the middle of it.

The building offers over 472 sq metres of retail space on the ground floor, and more than 1,720 sq metres of contemporary office space over 4 floors.

A swathe of greenery cuts through the very heart of the building, drawing light and life into every office space.
