SUPERIOR REAL ESTATE - CYPRUS

93 Georgiou A4048 Potomos Germasogeias Shop 4, S&K Stylianou, Limassol
Free phone (Local): 8000 8000, Tel: +357 2531 2728, Fax: +357 2531 2147

- The second floor will be the mechanical floor, containing all A/C compressors and water pumps.
- Floors 3 to 6 will have just two 2 bedroom apartments per floor.
- Floor 7 will have a three bedroom apartment and the entrance to the stunning triplex/penthouse with a private elevator and its own roof terrace and pool.
- Floor 8 will consist with the second floor of the triplex and a three bedroom penthouse with its own roof terrace and pool.
- Floor 9 will consist of the private roof terraces for both the triplex/penthouse and the three bedroom penthouse.

The residence will be constructed with the highest specifications and standard. This will be a Class A energy efficiency building, all communal areas will be operated with solar energy making it a low consumption building

and all the exterior walls of the building will be insulated with the equivalent of 10cm polystyrene and the latest aluminum profiled windows which will create comfortable microclimate in each apartment. In addition the whole exterior facade will be cladded with ceramic and HPL panels which in result will further improve the energy performance and allow the building to keep its aesthetics with minimal maintenance for years to come, this makes the Residence not only a safer and smarter investment but also a cheaper investment in the long run.

All apartments will come with underfloor heating, VRV air conditioning system and electronic shutters in the bedroom as standard. The only thing that is optional is the KNX home automation system for the two bedroom apartments (it comes standard in the three bedroom apartments).

Advantages:

- Walking distance to the beach
- Walking distance to the main supermarkets of the city
- Walking distance to park
- Walking distance to the islands finest boutiques
- South facing building
- Energy efficient building
- Low maintenance building
- Ventilated facade
- Shallow pool for children
- Gym and spa area
- Finest quality construction materials
- Underground parking
- Only 11 apartments

The advantages of this Residence and the location make it a great investment for use as a personal residence and especially as an investment to generate rental income. The location and close
