It is a stunning villa that reflects the top end of a modern lifestyle. Architecturally the property is designed to achieve harmony, character and most practical use along with absolute privacy. The multiple windows throughout the villa allow the natural light to brighten all rooms. The stepped arrangement of the development follows the sloping contours of the site ensuring that the structures blend with the natural landscape.

The villa is approximately 695 m² and internally consists of a two-stories with a total of 5 bedrooms (where 2 are en-suite), covered parking area, ancillary service room with a full bathroom and a storage room.

Externally the spacious Barbeque Area includes a kitchenette, a changing room/ WC, a swimming pool and an extensive mature garden (with trees, shrubs, citrus fruit trees) with an installed automatic irrigation system (stretching at the front of the building along the retaining walls).

Comprising:

Entry to a bright spacious foyer through the big covered veranda and the main huge solid wood entrance door.

To your left, you will find a well appointed living room with a French Doors leading to the large veranda and a folding door leading to the open plan family room.

Walking up the solid wood staircase with a stainless steel rail you find a spacious corridor leading to the bedrooms.

The Grand Master Bedroom has his & hers built-in wardrobes and a bathroom with a soaking tub and a lovely vanity with rich marble counter-top and sink.

The Three Bedrooms share a full bathroom with large built in wardrobes.

The Fifth Bedroom has a large built-in wardrobe area with a spacious full bathroom area.

The bathroom of the Grand Master Bedroom and the bathroom of the Three Bedrooms have a chute which leads to the laundry room on the ground floor.

A Large and spacious attic that can become a gym/ playroom/storage/ etc.

Spectacular Views of the whole of Limassol.

To your right you can see the guest wc with a solid wooden parquet.

There is a provision for a bar which connects to the kitchen area via corridor.

With a level difference of three steps from the foyer, there is a large open-space dining area that offers comfort to the guests, connecting them to the rest of the house; there is also an easy access to the kitchen area through a corridor.

The spacious laundry room includes plenty of cupboards and a chute for the laundries which is connected with the upper floor.

A Luxurious Kitchen with an Island Bar as a worktop and an 8 seat table for casual dining that offers an easy access to the back area of the house.

The Family Room is located in an open space area featuring high ceilings, a fireplace and beautiful folding doors leading to a large veranda.

The Big Bay Windows covering all levels of the house enhance the brightness of the house with a view of the stunning garden area.

The back of the villa has a large parking area for 4 cars, a boiler room, an ancillary service room with a full bathroom and storage room.

Ground Floor: 221.67 m²
