by experts from the world real estate market. Bedrooms are done in muted colors, kitchens and living rooms are in brighter, but rather restrained and elegant colors. The view from the magnificent huge terrace of the penthouse will provide an unimaginable aesthetic pleasure, will allow you to see the whole of Limassol and spend the most beautiful evenings surrounded by loved ones.

Beautiful comfortable apartments for a carefree life with services of world-class five-star hotels:

- Breathtaking and unobstructed sea views
- Highest quality materials and finishes
- Designer interiors
- Latest technology and equipment
- Pool
- Playground
- Gym
- Private underground parking
- Lobby
- 24-hour concierge and security
- Secure internal storage with secure deposits
- Services and amenities in the style of a 5-star Hotel

Located in the most sought-after area of Limassol - opposite the famous Dassoudi eucalyptus park. Shops, banks, restaurants, schools, fitness clubs, and beauty salons are in close proximity to the project.

The main distinguishing advantages of the project are:

- Its location,
- Uncompromising layouts, in which it becomes possible to realize cherished dreams and the most daring ideas.
- Finishing materials of luxury brands, selected for the climate of the island
- An increased level of security, combining not only multilevel access control, a "smart home" system, but also innovative solutions for prevention and protection against viruses.

The main principles of the experts involved in the design and construction was to create the best project in terms of comfort, safety, reliability, and environmental friendliness.

Amazing unobstructed views of the turquoise waters of the Mediterranean Sea and green caps of eucalyptus trees from all apartments will be a pleasant bonus for high-rise residents and provide the opportunity to enjoy the sea breeze and the scent of eucalyptus trees without leaving the veranda.

The infrastructure provides different options for passive and active recreation. The playground with a
