There is also a big family bathroom on this level. Two bedrooms have an access to the big balcony with panoramic sea views.

Basement: two very big rooms with WC, smaller room and a store room.

Outside there is a big swimming pool surrounded with green lawns. It is quiet private as the garden has a high green fence around and there is no immediate neighbours next door.

Very good place to live for a big family.
Viewing recommended!

INVESTMENT OPPORTUNITY: from 2015 due to increasing building density in this area is possible to build on the plot 5 standard three-bedroom villas to sell them or to rent them out.
