Set in the prestigious hillside suburb of Konia, Konia Park 2 comprises 16 detached villas with beautiful countryside views. The contemporary designs are available in three styles, offering varying floor plans to suit individual lifestyle requirements. All enjoy a high quality finish internally and externally. The architect has used clean modern lines with natural materials and open spaces to achieve a perfect balance of design and practicality. The plot enjoys a rural location in an established luxury neighbourhood, which is supremely popular due to its beautiful views, convenient location and air of seclusion. Konia is a hillside suburb of Pafos, located just a few minutes' drive from a wealth of amenities and facilities. The location of these villas is ideal offering excellent accessibility to the city, coastline, highway, airport and Pafos' most popular International school. The village itself offers a good selection of amenities including several taverns, a bank, bakery, primary and infant school, a minimarket and two churches. There is a strong sense of community and festivities are held on all major occasions.
