Land for sale in Chlorakas

EUR 250,000

City: Paphos
Area: Chlorakas
Type: Land
Plot: 1140m²

*1140sq.m *20% Build * Services Close * Sea View * Road Access

There is a 16m wide green area to the right, and an 8m wide road to the left of the plot, and above it. There is a steep drop from the land above, which means that it is not overlooked. There is a very steep drop to the sea side of the land meaning the view can never be obstructed. It is very private, but less than 5 minutes walk to the centre of Chlorakas. The road is newly constructed, and has all facilities including sewage onto the plot.

The green area can be used for planting trees etc, and extends to 760sq.m. The owner of the plot to the right of the green area lives in London, and plans to retire here in a few years time.

The site is ideal for an upside down house, with bedrooms below the main living area, and a large sea facing balcony above the bedrooms.
